

# 9 reasons to choose EASYBAC+<sup>®</sup>

## What is Easybac+?

Easybac+ is a very strong backing consisting of numerous layers of synthetic fibres.

These layers are bonded together to give an extremely stable base.

Easybac+ is the ideal choice. It makes the job of fitting wall to wall carpet easy and has these additional benefits:

1.  
Soft under  
foot

2.  
Strong &  
durable

3.  
Excellent  
insulation

4.  
Reduces noise

5.  
Odourless &  
won't decompose

6.  
Easy to lay

7.  
Health &  
environment

8.  
Economical

9.  
Made from  
recycled fibres
